## Benvenuti

The Aluotto family welcomes you to their casa. It's our pleasure to share our culture and passion for food. Our cuisine features recipes from our small hometown near Naples, Sala Consilina as well as some classic Italian-American favorites. Though it did not happen overnight, after hard work and dedication, we have brought a piece of Italy to Bogota for over 20 years.

We keep it simple, seasonal, enticing and fresh. Italians are fanatics about their food. Add a dash of family to that and you have a wonderful ricetta (recipe). *Buon Appetito!*
